Dear Pure Dental Patients,

We are limiting the number of people in the lobby at one time to promote social distancing. Thank you for your patience and we'll be with you as soon as possible!

For appointments, please only have the patients themselves come into the building. For kids or anyone who requires assistance, please only one guardian or helper to attend the appointment at this time.

To minimize the number of things that are touched in the office, we have removed magazines and toys in the waiting room. We have installed air purifiers with HEPA filtration in our office, front desk sneeze guard protectors, and are disinfecting the high touch areas on a regular basis.

If you are sick or around someone who is sick, please call and reschedule your appointment.

If you have any questions, please do not hesitate to contact us.

We appreciate your patience as we work together during this unprecedented time.

Feel free to call Pure Dental at 651-731-3064 if you need to speak to someone.

Sincerely,

Dr. Truong and the Pure Dental Team
